

Environmental Impact Bingo

Can you get a Bingo in 1 week!?
Mark a square for each way you helped to protect our environment.
Fill in blank squares with your own ideas!

saved water by taking a 5 minute shower		went on a walk/hike and picked up trash	went a whole day without eating any meat	donated old toys or clothes
unplugged all electronics that weren't being used	rode my bike or walked instead of driving in a car		hung my clothes to dry instead of putting them in the dryer	turned all lights off in empty rooms
used reusable bags at the store	turned off the heat/AC	FREE	put food scraps in the compost/yard waste bin	
washed my clothes in cold water	put all paper products in the recycling bin	went all week without using any disposable cups		turned off the water while doing the dishes
	planted in a personal or community garden	packed my lunch with only reusable materials (no plastic bags, paper napkins, etc.)	used a reusable straw	shared this bingo with someone else!
